

# 2019 Winter Plein Air at Menogyn

January 27-February 1, 2019

10<sup>th</sup> Anniversary Exhibit: February 1-24, 2019

## Packing List & Additional Information

- There is no cell phone service or internet at Menogyn. Cellular service disappears about 15 minutes up the Gunflint Trail from Grand Marais. We sleep in bunk rooms with 4-6 people. Pretend you're 12 years old again and going to camp.
- We will meet at the **Johnson Heritage Post**, 115 W. Wisconsin St. in Grand Marais, at **3:00pm on Sunday, January 27** to drop off past-years' paintings for the exhibit before driving caravan-style up the Gunflint Trail 37 miles to the parking lot at Menogyn.
- YMCA Camp Menogyn's dining hall and cabins are located ½ mile across west Bearskin Lake from the parking lot. A snowmobile will haul our gear upon arrival and we'll walk together across the lake. (Snowmobile ride is available if needed.)
- If you arrive separately, you must haul your own gear in a sled or make arrangements for pick-up by calling the camp staff at (218) 388-4497 before leaving Grand Marais.
- Menogyn has a **new, group cabin** with several bunk-rooms that will accommodate all or most of us this year.
- We must haul out everything we haul in, including garbage. Don't bring glass bottles or anything carbonated. Menogyn is a YMCA facility with a no-alcohol policy.
- It might be cold outside, but it's warm in the dining hall and cabins.
- Vehicles parked in the Menogyn parking lot can get very cold during the week. **Don't leave anything in your car that you don't want to freeze, especially if it might explode.**
- Menogyn's dining hall has two indoor toilets in bathrooms with plumbing. Cabins have close access to pit toilets. Use of the pit toilets is encouraged.
- Three meals a day are scheduled family-style in the Dining Hall. Otherwise, our time is generally unstructured. We paint outside in the morning and afternoon, and sometimes at night. We paint or nap in the dining hall too. We've traditionally had one all-day painting expedition, sometimes with snowmobile support by staff to haul our art supplies and sack lunches.
- Dog-sledding is an optional activity that is usually scheduled for one afternoon or morning. A \$60 fee is charged to help feed the dogs and support the program.
- Snowshoes and skis are available for use.
- Thursday night is Sauna Night! Don't miss the Finnish style dry sauna and frozen lake plunge.
- We leave camp Friday after breakfast and drive back to Grand Marais. Friday night from 5:00pm to 8:00pm is our reception and exhibit at Johnson Heritage Post in Grand Marais. **Consider booking an overnight Friday in Grand Marais before driving home Saturday.**
